# ANNUAL PERFORMANCE REPORT 2024

## Human Rights Protection Foundation (HRPF)

is registered by the Punjab Charity Commission with Registration # PB-9927416107711230 as Category (A) dated 16-05-2022. HRPF is also registered from Pakistan Centre of Philanthropy (PCP) Islamabad.

The aims and objectives of HRPF are to advocate for the supremacy of human rights,

With a particular focus on women's rights, children's rights, educational rights, and the rights of innocent prisoners. HRPF works to raise awareness of societal issues while also recognizing the efforts of dedicated officers. The organization strives for institutional transparency in accordance with the Right to Information (RTI) Act. Additionally, HRPF highlights the impact of natural disasters, such as floods and earthquakes, and their consequences on affected communities in Pakistan. Furthermore, HRPF strongly supports freedom of the press and freedom of speech worldwide.

### Message from the Chairman HRPF.

In the name of Allah, the Most Gracious, the Most Merciful

The protection of human rights is the cornerstone of any civilized society. It is

the foundation upon which justice, equality, and dignity are built. At the Human Rights Protection Foundation (HRPF), we are committed to ensuring that every individual, regardless of their background, gender, or social

status, enjoys their fundamental rights. Our mission is to foster a society where human dignity is upheld, justice prevails, and every citizen has access to essential services such as education, healthcare, and legal protection.

Since its inception, HRPF has tirelessly worked to highlight injustices and advocate for positive change. We have raised our voices against human rights violations, including the mistreatment of

prisoners, women's rights abuses, suppression of press freedom, and the lack of institutional transparency. Our commitment to justice has led us to confront corruption, police brutality, environmental degradation, and rising crime rates. Through legal action, advocacy, and awareness campaigns, we have played a pivotal role in holding institutions accountable and seeking justice for the marginalized.

One of our key focus areas has been the protection of innocent prisoners and the fight against unlawful detentions. We firmly believe that no one should suffer due to wrongful accusations or lack of legal representation. Our

team has worked tirelessly to provide legal aid and ensure that justice is served fairly. Similarly, we have actively intervened in cases of police misconduct, demanding accountability and structural reforms to

rebuild public trust in law enforcement agencies.

In addition to our human rights advocacy, HRPF has been at the forefront of environmental conservation efforts. Pollution, deforestation, and water contamination pose significant threats to public health and human rights. We have taken strong legal and social initiatives to combat these challenges, ensuring that communities

have access to clean drinking water, safe environments, and sustainable living conditions.

The rising crime rates in various regions, particularly in Mandi Bahauddin, have been a matter of grave concern. Through our Right to Information (RTI) Act initiatives, we have demanded transparency from law enforcement agencies and worked towards improving public safety. Our reports and appeals to higher authorities have exposed inefficiencies in the justice system, and we continue to advocate for stronger police reforms and legal accountability. Moreover, HRPF has actively addressed issues affecting overseas Pakistanis, including wrongful imprisonments, denial of legal documents, and exploitation in foreign countries. Our efforts have led to the release and repatriation of innocent individuals who were stranded due to bureaucratic negligence. Our foundation firmly believes that human rights advocacy is not just about raising concerns but about offering solutions. We are working to bridge the gap between the government, civil society, and the people to create a more just and equitable society. Our work is guided by the principles of transparency, accountability, and community empowerment. I urge all governmental institutions, civil society organizations, and responsible citizens to join us in this mission. Justice, equality, and peace can only be achieved when we work together to protect the rights of every individual. The struggle for human rights is not just a duty but a moral and humanitarian obligation. May Allah guide us in our efforts and grant us the strength to continue this noble cause.

Muhammad Yousaf Badar  
Chairman, Human Rights Protection Foundation (HRPF)  
[www.hrpf.org](http://www.hrpf.org)

## Our Vision

At the Human Rights Protection Foundation (HRPF), we envision a world where every individual enjoys their full human rights, regardless of nationality, race, gender, or socioeconomic background. We aspire

to create a society where people live in a clean and sustainable environment, free from pollution and environmental hazards, ensuring a healthy and dignified life for all.

We believe that access to essential services, such as healthcare, education, clean water, and justice, is a fundamental right of every human being. Our goal is to empower communities, enabling them to thrive independently and contribute positively to society. We are committed to fostering a world that is free from unjust imprisonment, discrimination, and human rights violations.

Our vision is deeply rooted in the principles of dignity, freedom, and global solidarity. We strive to build a future where justice prevails, equity is upheld, and prosperity is shared among all people, ensuring a world where human rights are universally respected and protected.

## Our Mission

The mission of the Human Rights Protection Foundation (HRPF) is to uphold and champion human dignity and rights by advocating for transparency, environmental sustainability, and equal access to essential resources and services. We firmly believe that an informed society is an empowered society. Therefore, we actively promote the Right to Information Act, ensuring that communities have access to vital knowledge that enables them to make informed decisions and demand accountability from institutions.

We work diligently to combat pollution and environmental degradation, striving for a cleaner and healthier planet where future generations can flourish. Access to clean drinking water is a fundamental human right, and we are committed to ensuring that underprivileged communities have safe and reliable water sources. Additionally, we focus on improving maternal healthcare services, particularly in marginalized areas, to safeguard the well-being of mothers and infants.

One of our core missions is

to advocate for the release of innocent individuals who have been unjustly imprisoned. We provide legal aid, raise awareness, and mobilize support to prevent wrongful convictions and ensure fair trials. Furthermore, we actively uphold human rights by offering advocacy and support to those facing injustices, discrimination, or exploitation.

In times of crisis, we lead reconstruction and rehabilitation efforts in affected communities, helping them rebuild their lives with dignity and stability. By addressing both immediate needs and long-term solutions, we aim to create a just, equitable, and thriving society where every individual can live freely, safely, and with the full realization of their rights.

At HRPF, we remain steadfast in our commitment to human rights, justice, and social equity, working towards a world where every person can live with dignity, freedom, and equal Opportunities.

## **HRPF'S EFFORTS ABOUT RISING CRIME RATE IN POLICE STATION KUTHIYALA SHEIKHAN DISTRICT M.B.DIN.**

Human Rights Protection Foundation (HRPF) has formally raised concerns

with the Inspector General of Punjab Police regarding the alarming rise in serious crimes in Police Station Kuthiyala Sheikhan, Mandi Bahauddin. Reports indicate that investigating officers are failing to cooperate with complainants and are allegedly filing false challans in robbery cases, further deteriorating the law and order situation.

In response, the Inspector

General Punjab Police appointed SSP(IAB) Gujranwala as Inquiry Officer. During the inquiry, HRPF Chairman and several complainants recorded their statements, leading to comprehensive investigations into the matter. Subsequently, SSP(IAB) Gujranwala submitted a detailed inquiry report to AIG(Inspection) Punjab Police, Lahore.

However, when HRPF formally requested a certified copy of the inquiry report from the IAB Office Gujranwala, authorities refused to provide it. In light of this, HRPF has invoked the Right to

## **HRPF ANYALYSIS REPORT ABOUT THE WORST SITUATION OF CRIME IN M.B.DIN THROUGH EXERCISING THE RIGHT TO INFORMATION ACT.**

Grave Crime Situation in Mandi Bahauddin: HRPF Analytical Report Shared with Authorities

The Human Rights Protection Foundation (HRPF) has shared its analytical report on the alarming crime situation in Mandi Bahauddin with

senior officials and human rights organizations, highlighting concerns and providing recommendations.

Report Background:

Following the directives of the Honorable Chief Commissioner of the Punjab Information Commission, the HRPF requested crime

records from the District Police Officer (DPO) Mandi Bahauddin, covering January 1 to August 25, 2024. Key statistics include:

1. Murder Cases: 91
2. Robbery Cases: 5
3. Land Grabbing Cases: 47
4. Other Moral Crimes: 8,226
5. Public Hearing Records (with implementation): 205
6. Complaints Registered: 5,723
7. Complaints Dismissed: 620
8. Action Against Police Officers (Under Section 155-C): None

Key Findings:

1. Rising Murder Cases:

With 91 murders in just eight months, the situation demands immediate attention. The yearly projection is equally alarming.

2. High Moral and Land-Related Crimes:

8,226 moral crimes and 47 land-grabbing cases highlight a significant disruption to societal peace.

The dismissal of 620 complaints out of 5,723 reflects declining public trust.

3. Lack of Police Accountability:

Despite 205 public hearing cases, no action under Section 155-C has been taken against police officials, raising questions about transparency.

HRPF Recommendations:

1. Activate Peace Committees:

Empower district peace committees and involve scholars from all schools of thought to promote harmony.

2. Role of Civil Society:

Local organizations and the civil society must collaborate with authorities to curb crime.

3. Ensure Police Accountability:

Implement transparent mechanisms for police accountability and initiate actions under Section 155-C.

4. Community Awareness Campaigns:

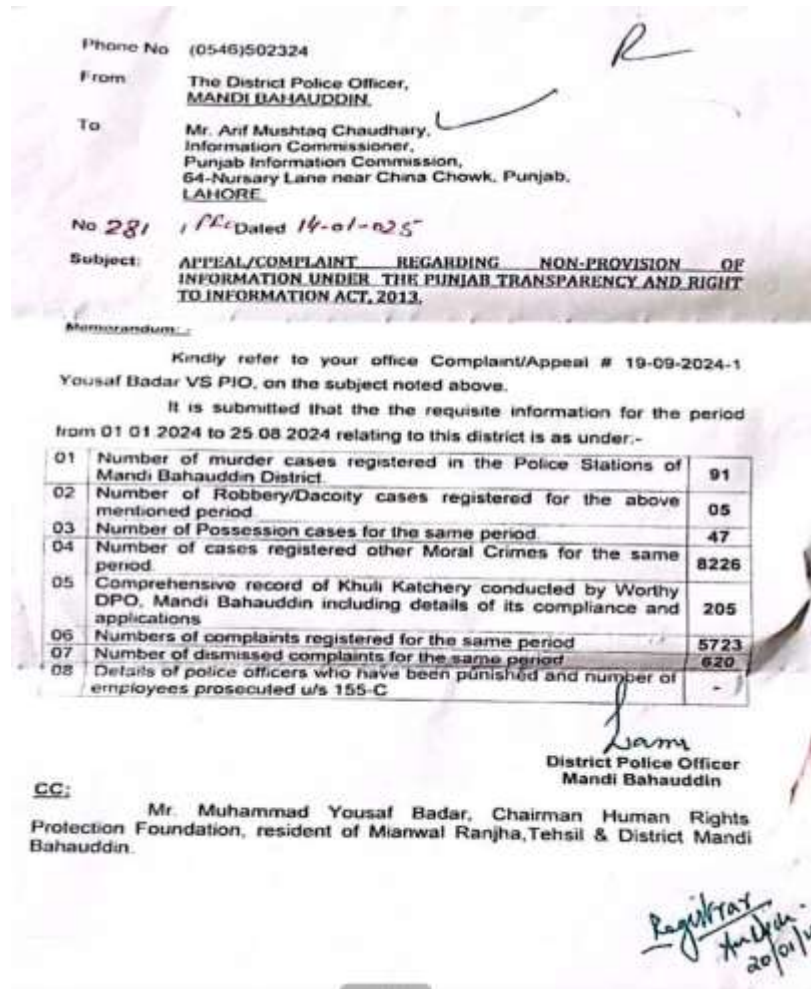

Launch awareness initiatives to educate the public about combating crime.

5. Strengthen Rule of Law:

Take immediate steps to ensure timely justice and uphold the rule of law.

Conclusion:

The HRPF is committed to restoring peace, ensuring justice, and protecting human rights in Mandi Bahauddin. We urge the public, administration, and civil society to work together to curb rising crime rates.

## INNOCENT PERSON KILLED BY MIANA GONDAL POLICE HRPF HIGHLIGHTED THIS ISSUE TO CONCERNED AUTHORITIES.

The recent killing of a citizen by police officers at Miana Gondal Police Station( FIR.1176/24 U/S 302, 34 PPC Police Station Miana Gondal Dist.M.B.Din.) Mandi Bahauddin is a grim reminder of the

deep-rooted issues plaguing the police department. The Human Rights Protection Foundation expresses its profound concern over this tragic incident, which highlights the urgent need for police reforms and accountability.

For years, our platform has consistently raised alarms about the deteriorating structure of the police department, particularly in Mandi Bahauddin. This incident reflects the consequences of a system hampered by political interference, opaque recruitment processes, and the frequent transfer of officers with little understanding of the local context.

#### KEY CONCERNS:

##### 1. POLITICAL INTERFERENCE:

The consistent meddling by political entities undermines the professionalism and independence of the police force. This interference

often leads to the appointment of officers based on favoritism rather than merit, weakening the department's credibility and effectiveness.

##### 2. NON-TRANSPARENT APPOINTMENTS:

Officers appointed without a thorough evaluation of their qualifications and commitment to public service often lack the capacity to handle complex and sensitive situations, leading to dire outcomes.

##### 3. MISMANAGEMENT AND CONFUSION:

Newly appointed District Police Officers (DPOs) are frequently misled or overwhelmed by subordinate staff, hindering their ability to address pressing issues effectively. This confusion perpetuates a cycle of inefficiency and lack of accountability.

##### 4. EROSION OF PUBLIC TRUST:

The blood-stained uniforms of martyrs from Mandi Bahauddin's police force symbolize the sacrifices made to uphold law and order. However, the repeated failures of the department tarnish their legacy and erode public trust in the police.

#### (RECOMMENDATIONS FOR REFORM)

To honor the sacrifices of the police martyrs and restore public confidence, the Punjab Police and the government must prioritize structural reforms:

##### 1. MERIT-BASED APPOINTMENTS:

Introduce a transparent and merit-based system for the recruitment and appointment of police officers, free from political influence.

## 2. TRAINING AND CAPACITY BUILDING:

Implement rigorous training programs focused on human rights, conflict resolution, and community policing to equip officers with the necessary skills and sensitivity.

## 3. ACCOUNTABILITY MECHANISMS:

Establish independent oversight bodies to investigate misconduct and

ensure that officers who violate the law are held accountable.

## 4. EMPOWERING LEADERSHIP:

Provide newly appointed DPOs with comprehensive briefings and support systems to help them navigate the complexities of local issues without undue influence from subordinates.

## 5. COMMUNITY ENGAGEMENT:

Foster collaboration between the police and local communities to rebuild trust and create a shared commitment to public safety.

### ● A CALL TO ACTION ●

The Human Rights Protection Foundation urges senior officers of the Punjab Police to take immediate steps to address these issues. Let us ensure that the innocent blood spilled in this recent tragedy and the sacrifices of the police martyrs in Mandi Bahauddin do not go in vain. The time for reform is now.

Together, we can work towards a police force that embodies justice, integrity, and professionalism.

## **INNOCENT CITIZEN TORTURED BY FUDAL LORDS IN SARGODHA, HRPF FORWARDED CONCERNS TO HIGHER AUTHORITIES.**

### ●.HUMAN RIGHTS VIOLATION ALERT: URGENT ACTION REQUIRED.●

HRPF forwarded this crucial situation to highr authorities and human rights organizations.

Human Rights Protection Foundation (HRPF) strongly condemns the heinous incident of extreme torture in the jurisdiction of Sardargarh and Zahir Pir police stations.

### ●.INCIDENT DETAILS.

Near Bilal Pump, Mochiwala,

close to Basti Wahid Bakhsh Chachar, Moza Phul Lolai, a poor and helpless individual was subjected to brutal torture. The victim was tied with wires, hung upside down, and beaten with sticks and rods while fastened to a tower. His desperate cries for mercy, invoking the name of God and the Prophet (PBUH), fell on deaf ears. This inhumane act was allegedly committed by a local landlord and two accomplices, who unlawfully assumed the roles of judge and executioner in a self-styled punishment for a suspected theft.

### □ **\*\*HRPF Stands Firm\*\***:

This barbaric act exposes a shocking disregard for the law and basic human rights. It underscores the vulnerability of marginalized individuals in the face of unchecked power and impunity.

### ●••••OUR DEMANDS.

HRPF appeals to the following authorities and organizations to take immediate action:

#### ●.Station House Office

(SHO), Zahir Pir Police Station

- **\*\*District Police Officer (DPO), Rahim Yar Khan\*\***

#### ●.Human Rights Organizations.

### ●•••CALL FOR JUSTICE:

1□□ Arrest and prosecute the perpetrators under the law.

2□□ Ensure the victim receives immediate medical and legal assistance.

3□□ Strengthen law enforcement to prevent vigilante justice in the region.

**WE CALL ON THE PUBLIC**

Let us stand united against this cruelty. Raise your voice, demand justice, and protect the rights of every human being, regardless of their social status.

**LAWLESSNESS IN MANDI BAHAUDDIN HRPF  
RAISES PUBLIC CONCERNS .  
AN OTHER INNOCENT CITIZEN TORTURED IN  
POLICE STATION GOJRA DISTRICT M.B.DIN,**

In recent times, Mandi Bahauddin has been witnessing a disturbing surge in serious crimes and lawlessness, creating a sense of deprivation and insecurity among the local population. A particularly troubling incident surfaced recently when a video went viral showing the abuse of a poor individual by influential figures at Gojra police station M.B.Din. The footage has sparked widespread outrage, underscoring the growing issues surrounding human rights violations and lack of accountability in the area.

The Human Rights Protection Foundation has strongly condemned this incident, highlighting it as a critical issue that poses a question mark over the performance of the newly appointed District Police Officer (DPO) Mandi Bahauddin. The Foundation has also raised alarms with the Inspector General of Punjab Police, drawing attention to the increasing rate of serious crimes, with specific concerns about the deteriorating situation at Police Station Kuthiala Sheikhan.

In response, an Inquiry Officer (SSP IAB) Gujranwala has been appointed to look into the matter. Extensive documentary evidence has been provided by the Human Rights Protection Foundation in the interest of public welfare. This inquiry aims to scrutinize the causes behind rising lawlessness and suggest concrete measures to improve public safety in Mandi Bahauddin.

To further promote transparency, the District Police Officer has been approached by the Foundation to provide certified information on crime statistics under the Right to Information Act 2013. The Punjab Information Commission has also issued an order mandating that the requested information be shared with the Human Rights Protection Foundation, reinforcing the importance of public access to such data.

The Human Rights Protection Foundation has also reached out to the National Commission for Human Rights Pakistan - NCHR to address the perceived negligence by investigating officers. Notably, a case involving an attack on the residence of Mr. Kamran Hussain Makhdoom, Advocate the Foundation's Director(L), is under scrutiny, and there is deep concern about the conduct of the officers involved.

For the residents of Mandi Bahauddin, the current law enforcement crisis reflects a failure in policing and judicial procedures. The daily incidents of violent

crime have fostered a sense of abandonment, as locals feel unprotected and unheard. As serious crimes continue to proliferate, the Human Rights Protection Foundation has called upon the District Police Officer and other law enforcement agencies to take decisive action. Improved training and strict adherence to police rules are necessary to ensure accountability, transparency, and justice for all citizens.

The Foundation, committed to safeguarding human rights and promoting accountability, has taken steps to keep higher authorities informed. It hopes that these efforts will catalyze significant reforms and create a safer environment for the people of Mandi Bahauddin. This situation remains a pressing issue, and all eyes are on the response of both the local police leadership and higher provincial authorities to restore law and order in the district.

**HUMAN RIGHTS PROTECTION FOUNDATION**  
**PAKISTAN HAS DEEP CONCERNS REGARDING**  
**FALSE FIR REGISTERED AGAINST THE CHIEF**  
**EDITOR DAILY BAZPURS**  
**M.B.DIN FIR NO.544/24 U/S 386 PPC CITY POLICE**  
**STATION M.B.DIN.(HRPF)**

Human Rights Protection Foundation Pakistan has deep concerns over the false and fabricated FIR registertered against the Chief Editor of Daily Bazpurs, Mandi Bahauddin. ( FIR NO.544/24 U/S 386 PPC city Police stationM.B.Din.)

Such baseless accusations not only threaten the individual's reputation and safety but also undermine the fundamental principles of press freedom and human rights.

Human Rights Protection Foundation Pakistan strongly condemns this egregious act and urges immediate intervention from the relevant authorities. HRPF have already forwarded concerns to the Punjab Police higher

authorities, the Ministry of Human Rights, the National Commission for Human Rights, and international organizations dedicated to safeguarding human and journalistic rights.

HRPF implore the worthy DPO Mandi Bahauddin to personally oversee the investigation of this matter with the utmost impartiality and diligence. It is imperative that justice prevails, and those responsible for filing this false case are held accountable to prevent such incidents from recurring.

HRPF stand firm in commitment to uphold the rights of journalists and defend the freedom of the press. It is crucial that the integrity of

GEPCO Phalia regarding corruption within the institution and departmental audit objections against the said officer. HRPF also informed the Secretary of the Power Division in Islamabad and senior GEPCO officials about these irregularities.

Under the Right to Information Act, HRPF formally requested certified information from the concerned officer. However, the officer refused to provide the requested details. As a result, HRPF filed a petition with the Chief Commissioner of the Pakistan Information Commission, urging him to issue orders for the provision of the required information. In response, the Chief Commissioner directed the GEPCO Chief in Gujranwala to provide the necessary records to HRPF. Failure to comply or any further delay could result in severe penalties for the responsible officers.

It is important to clarify that

HRPF has no personal enmity with any officer or individual. This effort is solely for public interest and the welfare of the people. Such initiatives may cause discomfort to some individuals, and some may take offense, but our goal is to seek the pleasure of Allah and contribute to national welfare. Even if some people become displeased, we believe that standing before the Almighty on the Day of Judgment with a clear conscience is all that truly matters.

# DISEASE SURVEY REPORT IN SIALKOT RECORD SOUGHT FROM EDO HEALTH SIALKOT .

The Human Rights Protection Foundation (HRPF) requested information under The Right To Information Act, 2013 from the Chief Executive Officer of the District Health Authority, Sialkot. This report outlines the health and disease conditions in various regions of Sialkot based on data collected from January 2024 to April 2024. The purpose of this report is to analyze and highlight significant trends, and to raise concerns regarding the health status in the district.

## Data Summary:

The following data was provided by the District Health Authority, Sialkot:

- Pneumonia: 932 cases
- Chronic Obstructive Pulmonary Disease (COPD): 14,065 cases
- Seasonal Influenza: 10 cases
- Cutaneous Leishmaniasis: 5 cases
- Gastroenteritis: 28,805 cases
- Bloody Diarrhea: 1,892 cases
- Typhoid Fever: 1,681 cases
- Trachoma: 439 cases
- Glaucoma: 441 cases
- Acute Conjunctivitis: 785 cases
- Goiter: 137 cases
- Epilepsy: 86 cases
- Dog Bite: 326 cases
- HIV/AIDS: 1 case
- Stroke: 1,056 cases

## Analysis and Concerns:

1. Gastroenteritis (28,805 cases):

- The extremely high number of gastroenteritis cases is alarming and indicates potential issues with water and food sanitation in the region.

- Immediate steps are necessary to assess and improve water quality and food safety measures.

2. Chronic Obstructive Pulmonary Disease (COPD) (14,065 cases):

- The high prevalence of COPD cases suggests significant air quality issues, potentially linked to industrial pollution or high smoking rates.

- Implementation of air pollution control measures and anti-smoking campaigns could be beneficial.

3. Pneumonia (932 cases) and Seasonal Influenza (10 cases):

- Respiratory infections continue to be a concern, especially among vulnerable populations such as the elderly and children.

- Strengthening vaccination programs and public health campaigns on respiratory hygiene are recommended.

4. Typhoid Fever (1,681 cases) and Bloody Diarrhea (1,892 cases):

- There is a pressing need to address issues related to clean drinking water and overall sanitation.

- Establishing better sewage systems and promoting hygiene practices can help reduce these numbers.

5. Trachoma (439 cases)

and Glaucoma (441 cases):

- Eye health appears to be a significant concern, with a notable number of cases concerning preventable or treatable conditions.

- Initiatives for regular eye check-ups and public awareness campaigns on eye care should be considered.

6. Cutaneous Leishmaniasis (5 cases):

- Although the number of cases is relatively low, it indicates the presence of disease vectors such as sandflies in the region.

- Vector control programs and public education on preventive measures are essential.

7. Stroke (1,056 cases) and Epilepsy (86 cases):

- Neurological conditions, including strokes, indicate the need for better management of lifestyle diseases like hypertension and diabetes.

- Integrating neurological care into primary health care and screening programs is critical.

#### 8. Dog Bite (326 cases):

- Rabies risk linked to dog bites necessitates better control of stray dog populations and public education on rabies prevention.

- Vaccination programs for dogs and rapid response initiatives for dog bite incidents should be strengthened.

#### 9. HIV/AIDS (1 case):

- Even though there is only one reported case of HIV/AIDS, continuous efforts in awareness, testing, and counseling services are vital to prevent further spread.

#### Recommendations:

- Enhance water and sanitation infrastructure to reduce cases of gastroenteritis, typhoid fever, and diarrhea.

- Implement stricter air quality control measures and conduct public health awareness campaigns to combat COPD and other respiratory diseases.

- Promote and provide vaccinations and public health education to minimize

the impact of infectious diseases like pneumonia and influenza.

- Launch targeted health programs focusing on eye care and regular screenings for conditions like trachoma and glaucoma.

- Improve the management and control of neurological disorders through primary health care integration and public awareness.

- Strengthen vector control

programs and public education on the prevention of diseases like Cutaneous Leishmaniasis.

- Enhance rabies vaccination programs for both the human population and stray dogs, coupled with public awareness campaigns on dog bite prevention and treatment.

- Maintain and expand programs for regular HIV/AIDS testing and counseling

to ensure early detection and prevention.

#### Conclusion:

The health data from January 2024 to April 2024 reveals several pressing public health challenges in the Sialkot region. The high prevalence of gastroenteritis, COPD, and waterborne diseases, in

particular, warrants immediate attention. Addressing these concerns

through improved sanitation, air quality control, vaccination drives, and educational programs will be crucial to enhancing the overall health status of Sialkot residents.

Action Required:

We urge the District Health Authority to prioritize resources and interventions targeting these critical health issues. By working together, we can foster a healthier environment and significantly reduce the burden of disease in the Sialkot region.

## **HRPF FILED A CASE BEFORE HONORABLE PROVINCIAL OMBUDSMAN ABOUT WATER POLLUTION.**

The Human Rights Protection Foundation (HRPF) submitted representations to the Secretary of Environment Punjab, Secretary of Livestock, and other senior officials regarding the contamination of fresh canal water in Mandi Bahauddin.

## HRPF RAISED ITS VOICE ABOUT THE SNGPL SERVICES ISSUES IN THE PUBLIC INTERST.

There were several issues related to Sui Northern Gas in Mianwal Ranjha, including low pressure, unnecessary load shedding, and gas pipeline maintenance. In this regard, the Human Rights Protection Foundation (HRPF) submitted a petition to the SNGPL authorities, particularly bringing the matter to the attention of the Secretary of Petroleum. Additionally, a petition was filed before the Federal Ombudsman.

As a result, the SNGPL department in Mandi Bahauddin resolved all these issues in the public interest. The decision of the Federal Ombudsman on this matter is also presented for reference.

Human Rights Protection Foundation continues its journey of humanitarian service within its limited resources.

To,

The Secretary,  
Ministry of Energy (Power Division)  
Islamabad.

RE: SUGGESTIONS ABOUT BURNING OF TRANSFORMERS IN GEPCO REGION.

Respected Sir,

It is requested that the Human Rights Protection Foundation is striving for the supremacy of human rights and transparency in institutions in the country. In this context, I feel it necessary to bring to your kind attention some important aspects regarding burning of transformers in the current heat wave and the official negligence behind it.

1. In GEPCO Region Gujranwala, farmers have installed mono-motors in agricultural areas without approval as per regulations. Transformers are burning due to overload. There is very negligence throughout the region.
2. All the data of agricultural motors and chillers of other dairy farms may kindly be collected. They should be strictly bound to get their load approved as per GEPCO rules.
3. The field staff in the entire region has not balanced the load of the transformers. They should immediately balance the load of all transformers.
4. A complete on-line record of any transformer damage or blast should be prepared at GEPCO HQ. Each Line Supervisor shall report through his Assistant Manager GEPCO every damaged or burnt out transformer. An officer and empowered team should be formed in every circle office to determine the reasons for transformers malfunctioning and submit their report to the head office. Take strict legal action against the officers responsible for departmental negligence.
5. The files of new connections should be investigated for at least one year. Many illegal connections will be detected. It is very important to take effective action against these responsible officials.
6. Electricity theft/other department monitoring teams in the entire region should be managed directly by GEPCO HQ, so that no local officer can interfere with them.
7. Full protection should be provided in the surveillance teams of electricity theft. They should be strongly encouraged according to their performance.
8. Full surveillance of the release of tariff should be done throughout the region. It can bring good revenue to the GEPCO.
9. Immediate work should be started on approved HTLT proposals across the region so that remaining transformers can be spared from loss.

You are requested please consider our proposals/suggestions in the interests of the department.

Kind Regards,

Muhammad Younis Badar

Chairman

Human Rights Protection Foundation Pakistan

**WAFAQI MOHTASIB (OMBUDESMAN)'S SECRETARIAT**  
**CLOSURE FINDINGS**

Complainant No.	WMS-AFF118921
Date of Registration	14.07.2023
Name & Address of the Complainant	MR. MUHAMMAD YOUSAF BADAR, 303, MANWAL RAMIHA, MANDI BAHALWAL
Name of the Agency complained against	BIT NORTHERN GAS PIPELINES LTD. (ONGCPL)
Name & Designation of the Investigating Officer - Rank	MUHAMMAD AHMAD AWAN, DEPUTY COMMISSIONER, I.D. SARGODHA
Real Subject	MALADMINISTRATION BY ASSOCIATION OF IES COMPLAINT APPLICATION
Date when IO asked for report from Agency	07.07.2023
Date of Receipt of Agency's report in IO's Office	12.07.2023
Number & Date of Hearing	01 Number: 01 01 Date: 12.07.2023
Name and Designation of the Agency's Representative who attended the hearing	MR. PERVAZ IQBAL, MANAGER, SARGODHA
Whether the complainant attended the hearing?	NO
Is there a submission of complainant attended the hearing, if any?	-

The complainant alleged maladministration on the part of the Agency regarding improper gas pressure and unbalanced load shedding of gas supply to his area. The complainant stated that the residents of the locality were facing unbalanced load shedding of gas and low pressure due to which many consumers were taking compressors. The matter was repeatedly brought to the notice of the SMDP, Sargodha to the Ministry, but no action was being taken by the Agency's officials to improve the situation. He prayed that the Agency may be directed to transfer the issue without further delay.

The matter was referred to the Agency for a report. In response, the Agency vide its letter dated 12.07.2023, stated that a site visit was carried out by Agency's team and the complainant informed that gas was available to day three times at night, no gas was available. He was informed that as per Company's policy, gas is available only during working hours i.e. 0800 am to 0900 am, 1200 pm to 1400 pm and 0800 pm to 1100 pm only. The complainant confirmed the availability of gas during the above mentioned hours.

3 WMS-AFF118921

1. A hearing was held to determine maladministration of the Agency regarding unbalanced load shedding and low pressure of gas in the complainant's area. The Agency's representative granted the case as per the Agency's report. The complainant was contacted on his cell phone who expressed his satisfaction with the report of the Agency and requested for the closure of his case. No maladministration on the part of the Agency was established in terms of Article 212 of P.O. No. 1 of 1983. Further proceedings into the complaint are, therefore, liable to be closed.

In view of the positive mentioned above, further investigation into the complaint is closed in terms of Regulation 23 (1) (g) of the Waqaf Mohtasib (Investigation and Disposal of Complaints) Regulations, 2017, as the complainant is satisfied with the report of the Agency and does not wish to pursue his case further.

## **REPAIR AND CLEANING OF SEWERAGE SCHEAM MIANWAL RANJHA IN THE PUBLIC INTEREST.**

The complete cleaning and repair of the Mianwal Ranjha Storage Scheme have been carried out to ensure public health and sanitation in Mianwal Ranjha. Broken pipes have been repaired, and the level of holes along the roadside has been raised. In this regard, a request has also been submitted to the Drain Department Punjab to increase the capacity of the Fifth Drain.

## HRPF'S EFFORTS AGAINST HUMAN SMUGGLING AND TRAFFICKING.

Human Trafficking from Pakistan: Causes, Consequences, and Solutions

Introduction

Human trafficking has become an alarming issue in Pakistan, particularly in regions like Gujranwala Division, including Mandi Bahauddin. Hundreds of young men from this region have lost their lives in border crossings and boat accidents, while many others are suffering in foreign prisons. The root causes of this crisis lie in the country's deteriorating economic conditions, lack of justice, and failure to rehabilitate vulnerable communities. Human traffickers have evolved into organized criminal networks, often having deep connections within government institutions.

This report presents an in-depth analysis of the causes behind human trafficking from Pakistan, its devastating consequences, and potential solutions to curb this crisis.

Causes of Human Trafficking in Pakistan

### 1. Economic Hardships

Pakistan's weak economic structure is one of the primary reasons behind illegal migration and human trafficking. With rising inflation, unemployment, and limited opportunities, many young people see migration as their only hope for a better future. When legal immigration becomes impossible due to strict visa policies, they turn to human traffickers, who exploit their desperation.

### 2. Weak Law Enforcement and Corruption

Human trafficking networks thrive due to weak law enforcement and corruption in government institutions. Many traffickers have strong connections with officials, allowing them to operate freely. Victims often find themselves deceived, kidnapped, or abandoned in foreign lands without any support.

### 3. Lack of Awareness and Education

Many people in rural and underprivileged areas are unaware of the risks involved in illegal migration. Smugglers lure them with false promises of jobs and a prosperous life in Europe or the Middle East, only for

them to end up in life-threatening situations.4. Social and Cultural Pressures

In many families, there is a strong cultural expectation for men to earn well and provide for their households. When legal migration is not an option, young men take dangerous routes to fulfill societal expectations.

5. Absence of Effective Rehabilitation Programs

The government lacks concrete programs to support the poor and unemployed youth. Without financial aid, skill development, or employment opportunities, individuals are left with no choice but to risk their lives for a better future.

Consequences of Human Trafficking

1. Loss of Lives in Border Crossings and Sea Journeys

Countless young men from Mandi Bahauddin and other parts of Pakistan have died while attempting to cross borders or through fatal boat accidents. Some of the known victims include:

1.Imtiaz Ahmad s/o Zahoor Ahmad resident of Mianwal Ranjha Tehsil & District Mandi Baha ud Din.

2.Ali s/o Mukhtar Ahmad resident of Mianwal Ranjha Tehsil & District Mandi Baha ud Din.

3.Eijaz Ahmad Resident of Harya Tehsil Malakwal District Mandi Baha ud Din.

4.Sajjad S/o Nawaz Resident of Kotli Qazi District Mandi Baha ud Din.

5.Ali Hassan s/o Muhammad Afzal resident of Kuthiala sheikhan Tehsil and District Mandi Baha ud Din.

6.Hasnain s/o Muhammad Arshad resident of Kuthiala sheikhan Tehsil and District Mandi Baha ud Din.

7.Abrar Bashir s/o Bashir Ahmad resident of Maseetpur Tehsil Phalia District Mandi Baha ud Din.

8.Majid Bashir s/o Bashir Ahmad resident of Maseetpur Tehsil Phalia District Mandi Baha ud Din.

9.Arsalan Zafar s/o Muhammad Zafar resident of Majhi Tehsil Malakwal District Mandi Baha ud Din.

10.Muhammad Akram resident of Majhi Tehsil Malakwal District Mandi Baha ud Din.

11.Ehtsham resident of Seeray Tehsil Phalia District Mandi Baha ud Din.

12. Danash Rehman resident of Kassowal Tehsil Malakwal District Mandi Baha ud Din.

13. Shoaib Zafar resident of Kuthiala sheikhan Tehsil and District Mandi Baha ud Din.

14. Ehtasham Anjum s/o

Zulufqar Ahmad resident of Helaan Tehsil Phalia District Mandi Baha ud Din.

15. Ayaz Ahmad s/o Muhammad Riaz resident of Helaan Tehsil Phalia District Mandi Baha ud Din.

16. Abdul Rehman s/o Muhammad Shafiq resident of Helaan Tehsil Phalia District Mandi Baha ud Din.

17. Fahad Khalid s/o Khalid Mahmood resident of Helaan Tehsil Phalia District

Mandi Baha ud Din.

18. Haji Ahmad resident of Daffar Tehsil Malakwal District Mandi Baha ud Din.

19. Anas s/o Muhammad Aslam resident of Helaan Tehsil Phalia District Mandi Baha ud Din.

20. Faisal resident of Kotli Qazi District Mandi Baha ud Din.

21. Shabir Ahmad resident of Bhowa Hasan Tehsil Phalia District Mandi Baha ud Din.

MISPLACED FROM ONE YEAR

1. Ghazanfar Abbas s/o Pahle Khan resident of Loyianwala Tehsil and District Mandi Baha ud Din.

2. Ali s/o Hukam Din resident of Mianwal Ranjha Teh and Dist Mandi Baha ud Din.

- Many more, whose families still mourn their tragic loss.

2. Thousands in Foreign Prisons

Many individuals attempting

illegal migration are arrested in foreign countries, where they face inhumane conditions in jails. The Pakistani government has limited resources to support or bring them back.

3. Exploitation and Abuse

Those who survive the journey often fall into forced labor, sexual exploitation, or human slavery. They are stripped of their rights, passports, and dignity, making them vulnerable to extreme mistreatment.

4. Damaged International Reputation

Pakistan's image has been severely affected by the increasing number of illegal migrants. Many developed countries have

tightened visa policies for Pakistanis, making legal immigration even more difficult.

### Proposed Solutions to Curb Human Trafficking

#### 1. Strengthening Law Enforcement and Judicial System

- The government must take strict action against human traffickers and their networks, ensuring that no official supports them.
- Special courts should be set up to handle human trafficking cases with swift justice.
- The Federal Investigation Agency (FIA) and border security forces must be strengthened to detect and eliminate smuggling networks.

#### 2. Economic and Employment Reforms

- The government should create more job opportunities and skill-based training programs, especially in rural areas.
- Investment in industries that can provide employment, such as agriculture, technology, and manufacturing, is necessary to reduce desperation-driven migration.

#### 3. Public Awareness Campaigns

- The media, educational institutions, and NGOs should run awareness campaigns about the dangers of illegal migration.
- Victims' families should be involved in these campaigns to warn others about the risks.

#### 4. Legal Migration Pathways

- Pakistan should negotiate with countries to create safer, legal migration pathways for skilled and unskilled workers.
- Government facilitation for work visas and labor agreements can help reduce illegal migration.

#### 5. Support and Rehabilitation for Victims

- The government must establish a national rehabilitation program to support returnees and their families.
- Psychological support, financial aid, and skill development programs should be introduced to reintegrate victims into society.

#### 6. International Cooperation

- Pakistan must work with international organizations like the United Nations, Interpol, and European authorities to dismantle human trafficking networks.
- Bilateral agreements should be signed with destination countries to ensure fair treatment of detained Pakistani migrants.

Role of Human Rights Protection Foundation. (HRPF)

The Human Rights Protection Foundation (HRPF)

has played a crucial role in raising awareness and pressuring authorities to take action against human trafficking. The foundation has repeatedly brought this issue to the attention of high-ranking officials and published research on the matter.

HRPF Chairman, Muhammad Yousaf Badar, has written extensively on the subject, including in his book *Sada Ba Sahara*, highlighting the plight of trafficked individuals and the failure of authorities to address the crisis.

Conclusion

Human trafficking is one of the most severe crises facing Pakistan, especially in regions like Mandi Bahauddin. The combination of economic distress, weak law enforcement, and lack of legal migration pathways

forces many to take life-threatening risks. Urgent reforms are needed at multiple levels, from stricter laws to economic improvements and public awareness.

The government, civil society, and international organizations must work together to eliminate this modern form of slavery and prevent further loss of lives. Failure to act now will only deepen the crisis and tarnish Pakistan's global standing even further.

## HRPF CHAIRMAN VISITED THE SMART SCHOOL KUTHIYALA SHEIKHAN.

The Chairman of the Human Rights Protection Foundation attended the annual ceremony of The Smart School and, on this occasion, donated 50,000 rupees for deserving students.

# APPROVAL OF HT/LT PROPOSALS (GEPCO) BY HRPF EFFORTS.

In Mianwal Ranjha, HT/LT proposals were prepared regarding electricity transmission. These included the approval of various transformers, HT/LT poles, and four-core cables in different streets. By the grace of Allah Almighty, the work on these proposals has been completed. The last proposal was pending, and the Human Rights Protection Foundation informed the Honorable Secretary of the Power Division, Islamabad, about the situation. Following this, the proposal for Dera Fayaz Ahmed Makhdoom was also completed. Alhamdulillah, extensive work was carried out on proposals in Mianwal Ranjha from 2023 to 2024. I am grateful to all the concerned senior officers of GEPCO for paying attention to these public welfare issues and ensuring their resolution.

## HRPF SOUGHT HELP FROM NATIONAL COMMISSION OF HUMAN RIGHTS (NCHR)

Unknown individuals opened fire at the house of Kamran Hussain Makhdoom Advocate, Director Legal of the Human Rights Protection Foundation. This situation persisted repeatedly. Due to

the lack of interest from the relevant investigating officers, Chairman of the Human Rights Protection Foundation, Muhammad Yousaf Badr, expressed his concern to the National Commission for Human Rights (NCHR).

Following this, NCHR requested a report from the District Police Officer (DPO) Mandi Bahauddin. According to the report, a team has been formed for this case, consisting of SHO Qadirabad Mandi Bahauddin, Sub-Inspector Javed Iqbal, ASI Amjad Ali, Constable Adnan Safdar, and Constable Qamar Abbas. This team will regularly update the DPO Mandi Bahauddin on the progress of the investigation.

The Human Rights Protection Foundation is committed not only to serving humanity, upholding human rights, and ensuring transparency in institutions but also to safeguarding its workers and directors. No negligence or complacency will be tolerated in this regard.

**SUB-URGENT ACTION REQUIRED: DELIVERY ISSUE AND COMPLAINT  
AGAINST BRANCH MANAGER MALAKWAL M.B.DIN.  
TRACKING ID. 5149443116**

Dear Sir/Madam,

I am writing to bring to your attention an issue regarding the delivery of a very important document sent from the Pakistan Center of Philanthropy (PCP) to me, associated with the Human Rights Protection Foundation, which is committed to ensuring the supremacy of human rights and institutional transparency in the country.

The document in question, referenced under tracking number 5149443116, was mistakenly sent to Malkwal instead of Mianwal Ranjha. Upon realizing this, I immediately contacted the concerned Branch Manager, Mandi Bahauddin, and the Area Manager, Gujranwala, via telephone. Both officers assured me that the document would be delivered to Mianwal Ranjha by December 10, 2024.

Unfortunately, despite their assurance, the document has not been delivered to me as promised. To my dismay, the Branch Manager of Malkwal, Mr. Saddam, has refused to send the document back to its correct destination. Additionally, I have been trying to contact him continuously on his number (0336-7392001) since yesterday, but he has not responded to my calls.

This lack of professionalism and disregard for customer service is highly condemnable. Such behavior not only causes inconvenience to customers but also tarnishes the reputation of TCS as a reliable courier service.

I request the following actions to be taken on a priority basis:

1. Immediate delivery of the document to me at Mianwal Ranjha without further delay.
2. Strict action against the Branch Manager of Malkwal, Mr. Saddam, for his irresponsible and unprofessional behavior.
3. Measures to ensure that such incidents are avoided in the future.

I trust that you will take this matter seriously and resolve it at the earliest. I look forward to your prompt response and resolution of the issue.

Thank you for your attention to this matter.  
Sincerely,

Kind Regards,

## SUPPORT FOR OVERSEAS PAKISTANIS RELEASED FROM KSA JAIL BY HRPF EFFORTS.

The Human Rights Protection Foundation was informed by our esteemed overseas brother, Sahib Ranjha (Hasho Ka), from Saudi Arabia about a distressing case. He shared the painful ordeal of Mureed Hussain, an Overseas Pakistani from Faisalabad, who had been imprisoned in Al-Shumaisi Jail, Saudi Arabia, for the past 20 years.

The tragic part of this situation was that his case had been settled ten years ago, yet he remained in prison because the Pakistani Embassy had not issued him travel documents/passport.

Upon learning about this, the Human Rights Protection Foundation took immediate action and wrote to the

Honorable Secretary of Interior and the Director General of Passports & Immigration. The matter was then brought to the attention of the Commissioner for Overseas Pakistanis (Federal Ombudsman Cell). The Human Rights Protection Foundation pursued the case rigorously, ensuring that Mureed Hussain's documents were processed.

By the grace of Allah, the Most Merciful and Generous, he has now returned safely to Pakistan.

## **REMOVAL OF DANGROUS HT ELECTRIC POLE ON THE ROAD.**

HRPF forwarded a complaint regarding an HT pole on the roadside of Kuthia Sheikhan to Mianwal Ranjha Road was raised through the Human Rights Protection Foundation platform. In response, the Assistant Manager Operations of GEPCO Kuthiala Sheikhan and his staff took prompt action and installed a new pole.

Undoubtedly, replacing the pole in such a short time reflects the efficiency and dedication of the concerned officers, which is truly commendable. On behalf of the Human Rights Protection Foundation, I extend my appreciation to the Assistant Manager Operations GEPCO Kathiyala Sheikhan and his staff.

Such dedicated officers are indeed a pride for our homeland and GEPCO. The Human Rights Protection Foundation remains committed to the journey of serving the humanity.

## **HUMAN RIGHTS PROTECTION FOUNDATION** **(HRPF) IN PAKISTAN HAS HIGHLIGHTED** **ENVIRONMENTAL CONCERNS IN PUNJAB**

addressing issues such as pollution, deforestation, and the effects of climate change on human rights. Punjab faces severe environmental challenges due to industrial emissions, agricultural waste, and a lack of waste management infrastructure, leading to contaminated water, air pollution, and health hazards.

Key solutions proposed by Human Rights Protection Foundation. and similar

environmental bodies focus on enforcing stricter environmental regulations, promoting sustainable agricultural practices, and enhancing urban waste management systems. Additionally, HRPF advocates for climate-resilient policies to protect vulnerable

communities, especially rural populations, from climate impacts such as flooding and heat waves.

Expanding green spaces, increasing renewable energy adoption, and supporting reforestation initiatives are also crucial steps suggested to improve the environmental and social resilience of Punjab's communities.

These actions align with international recommendations for developing regions, which emphasize human rights as fundamental to climate adaptation strategies. By focusing on sustainable development and the protection of basic human rights—including access to clean water, health, and a safe environment—HRPF aims to enhance both environmental conditions and community resilience across Punjab.

Human Rights Protection Foundation, along with various organizations, has been actively addressing environmental issues in Punjab, where air and water pollution, as well as groundwater depletion, are significant concerns.

1. **\*\*Air Pollution\*\***: Punjab, particularly Lahore, faces severe air quality issues, with high levels of pollutants like PM2.5. The International Growth Centre (IGC) has collaborated with Punjab's Environmental Protection Agency (EPA) to enforce emission standards and promote industrial compliance. Key measures include converting brick kilns to the energy-efficient Induced Draft Zigzag Kiln (IDZK) technology, which reduces fuel use and emissions, and implementing vehicular emissions checks to manage pollution from transportation sources.

2. **\*\*Water Pollution and Conservation\*\***: Groundwater over-extraction and pollution from industrial discharge have worsened water scarcity. Collaborative efforts with the Judicial Water and Environmental Commission (JWEC) have led to closing polluting industries, installing treatment facilities, and promoting water recycling

systems in industries and housing areas. Additionally, the construction of rainwater harvesting systems has helped conserve water, and steps have been taken to regulate groundwater use, preventing further depletion.

3. **\*\*Judicial and Policy Initiatives\*\***: The judicial system, including environmental magistrates, has played a critical role in enforcing the Pakistan

Environmental Protection Act (PEPA) by penalizing non-compliance and strengthening the EPA's enforcement capabilities. The Bhurban Declaration and the Lahore High Court's environmental activism also underscore the role of judiciary in advancing environmental protection.

For a sustainable future, these initiatives are crucial, but they need continuous reinforcement and community engagement to address Punjab's complex environmental challenges effectively.

## **ISSUANCE OF PASSPORT TO OVERSEAS PAKISTANI IN JEDDAH BY HRPF EFFORTS.**

A Pakistani brother in Jeddah was suffering from a severe illness, and his passport was not being renewed, preventing him from traveling back to Pakistan. The Human Rights Protection Foundation Pakistan took strong action, and Alhamdulillah, his passport has now been renewed. InshaAllah, he will be traveling back to Pakistan this week.

Similarly, an Overseas Pakistani from Faisalabad has been imprisoned in Saudi Arabia for nearly 20 years. His sentence has already been completed, but the Pakistani Embassy in Jeddah has not issued him travel documents or a passport. The Human Rights Protection Foundation Pakistan has raised this concern with the relevant

government authorities in Pakistan.

we will ensure his passport renewal and make every effort for his safe return to Pakistan.

It is deeply concerning that our Overseas Pakistani brothers are facing severe fundamental issues abroad, yet no one seems to care for them. InshaAllah, the Human Rights Protection Foundation Pakistan will

continue its efforts, within its resources, to resolve the problems of our Overseas Pakistani brothers—who are the true benefactors of our nation.

Ref: 423/HRPF/24

Date: 11-05-2024

To,

The Secretary Interior,  
Government of Pakistan Islamabad.

**SUB: REQUEST FOR ISSUANCE OF TRAVEL**

**DOCUMENTS/PASSPORTS Documents TO THE OVERSEAS PAKISTANI PRISONER MR.MUREED HUSSAIN S/O SHABIR HUSSAIN, RESIDENT OF CHAK NO. 351 JB TEHSIL GOJRA, DISTRICT TOBA TEK SINGH, PASSPORT NO. K546450, DETAINED IN SHAMITI IS JAIL. (HIS PRISONER NUMBER IS 268410000)**

Respected Sir,

I hope this letter finds you in good health and spirits. I am writing to bring to your attention a matter of utmost importance regarding the issuance of travel documents/passports to an overseas Pakistani, Mr. Mureed Hussain.

Mr. Mureed Hussain, son of Shabir Hussain, hailing from Chak No. 351 JB Tehsil Gujra, District Toba Tek Singh, has been facing a dire situation abroad. He has been working as a laborer in Saudi Arabia since December 25, 2005. Unfortunately, during his employment, he was wrongfully implicated in a case involving the unfortunate murder of a fellow employee. Despite being sentenced by the local court, Mr. Hussain has spent an agonizing 19 years in incarceration.

Regrettably, Mr. Hussain's passport Pakistan has expired, and he, along with other overseas Pakistanis in similar predicaments, remains stranded due to the lack of travel documents/passports. This has caused immense distress and hardship for him and his family, who eagerly await his return.

In light of the aforementioned circumstances, I earnestly request the Pakistani embassy in Jeddah to consider issuing travel documents/passports to Mr. Mureed Hussain and other overseas Pakistanis in similar situations on humanitarian grounds. It is imperative that this case be given the utmost priority and resolved expeditiously.

The provision of travel documents/passports to these individuals will not only uphold their fundamental human rights but also demonstrate the commitment of the Government of Pakistan to safeguarding the welfare of its citizens, both at home and abroad.

## AWWARD FROM HRPF IN THE REGARD OF SOCIAL SERVICES.

The Human Rights Protection Foundation honored Malik Muhammad Khalid, a retired lab assistant, with an award and certificate for his struggle for his rights and steadfastness.

We express our gratitude to Chairman HRPF, Muhammad Yousaf Badr, and HRPF Chief Coordinator in Azad Kashmir, G. Jilani, for recognizing and supporting Malik Khalid's perseverance and struggle.

It is worth mentioning that Malik Khalid was subjected to torture, threats, and blackmail by the head of an educational institution, who misused his authority against him.

The Deputy Commissioner of District Poonch, Mr. Mumtaz Kazmi, was the chief guest at this award distribution ceremony.

## **MEETING WITH ADDITIONAL DIRECTOR LIVESTOCK MANDI BAHA UD DIN ABOUT ANIMAL DISEASES.**

Yesterday, a delegation from the Human Rights Protection Foundation met with the Additional Director of Livestock in Mandi Bahauddin. Advocate Kamran Hussain Makhdoom was also present during the meeting. The discussion focused on livestock diseases, their prevention, and the availability of medicines. The Chairman of the Human Rights Protection Foundation expressed concern over the lack of budget allocation by the Punjab government for medicines. The matter has been formally presented to higher authorities.

Given the number of livestock and the challenges faced in Mandi Bahauddin, it is essential that relevant institutions provide adequate resources and medicines. If this discriminatory treatment towards Mandi Bahauddin

continues, a writ petition will be filed in the Lahore High Court in the public interest.

We consider it our duty to utilize all available resources for the protection of public rights.

## **HRPF DEEPLY CONCERNS ABOUT THE MARTYRDOM OF RESCUE OPERATOR.**

The Human Rights Protection Foundation has expressed its deep concern to the Chief Secretary of

Punjab regarding the martyrdom of a rescue worker and the death of another person in Mandi Bahauddin.

It is worth noting that Mandi Bahauddin has long been plagued by lawlessness and severe crimes. Recently, in the dangerous smog-filled weather, a rescue worker lost his life due to the absence of reflector lights on sugarcane trolleys and other trailers. Another person also lost his life. While death is an undeniable reality, the incompetence and criminal negligence of the relevant traffic authorities behind these fatalities cannot be ignored.

This indifference and gross negligence deserve the strongest condemnation. The Chief Secretary of Punjab and the Inspector General of Punjab Police have been informed of this grave situation. We strongly urge the higher authorities to take strict action against this criminal negligence. Immediate enforcement should be ensured to mandate the installation of reflector lights on trolleys. Strict action must be taken against those who show negligence in this matter.

Furthermore, the National Commission for Human Rights, the Ministry of Human Rights, and various local and international organizations have also been informed of our concerns.

**HUMAN RIGHTS PROTECTION FOUNDATION**  
PAKISTAN

Ref:439/HRPF/23 Date: 30-12-23

To,  
The Chief Secretary,  
Government of the Punjab  
Lahore.

**SUB-HUMAN RIGHTS PROTECTION FOUNDATION'S CONCERNS OVER THE MARTYRDOM OF RESCUE WORKERS AND A CITIZEN DUE TO THE INCOMPETENCE AND NEGLIGENCE OF THE TRAFFIC AUTHORITIES IN MANDI BAHAUDDIN.**

Dear Chief Secretary,

I extend my respectful greetings to you. The Human Rights Protection Foundation, dedicated to upholding human rights and fostering transparency in our institutions, wishes to bring to your attention the alarming situation in Mandi Bahauddin.

Regrettably, the region has been grappling with prolonged issues of crime and lawlessness. It is with deep concern that we highlight recent incidents involving the tragic martyrdom of a rescue worker, who lost his life after being struck by a sugarcane trolley. Subsequently, on the third day following this unfortunate event, another citizen met a similar fate under comparable circumstances.

These distressing incidents can be attributed to the incompetence and negligence of the traffic authorities. In light of the hazardous smog season, it is imperative to advocate for the installation of reflector lights on sugarcane and other trolleys. I earnestly request your intervention to enforce stringent measures against those who fail to adhere to these safety instructions. An effective order mandating all necessary precautions to address this perilous situation would be highly appreciated.

Kind regards,

**hammad Yousof Badar**

into the canal and the disposal of dead chicks by poultry farm owners.

In response, the Deputy Director of the I&S Department, Punjab Environment Department, directed the Assistant Director of Environment in Mandi Bahauddin to address the issue immediately. Following this directive, the Assistant Director formally informed senior officials about the situation, and show-cause notices were issued to approximately 136 poultry farm owners across the district. Additionally, some cases were forwarded to the Punjab Environmental Tribunal.

Furthermore, social and political figure Muhammad Arshad Lilla recently shared videos exposing how the TMA Mandi Bahauddin is worsening environmental pollution by dumping sewage and rotten city waste into the freshwater canal. In response, the Human Rights Protection Foundation once again raised the matter with senior authorities and subsequently filed a case with the Provincial Ombudsman Regional Office in Mandi Bahauddin. The case is currently being pursued with detailed documentation.

By the grace of Allah, we are fully committed to serving the public interest, upholding human rights, and ensuring transparency in institutions. We will leave no stone unturned in addressing this critical issue.

## HUMAN RIGHTS PROTECTION FOUNDATION PAKISTAN

Ref: 434/HRPF/23

Date: 25-11-23

To,

The Secretary EPD,

Government of the Punjab Lahore,

**SUB: HRPF CONCERNS ABOUT WASTAGE OF INFECTED SEWERAGE  
WATER IN CANAL WATER BY TMA M.B.DIN.**

Respected Sir,

It is requested that Human Rights Protection Foundation is striving for the supremacy of human rights in the country and transparency in institutions. In this regard, it is submitted that Punjab is suffering from the most serious problems regarding environmental pollution. Similarly, Mandi Bahaudin is also much affected by environmental pollution. Especially air pollution and underground water has become polluted and harmful to health.

It is brought under your kind attention that dirty and harmful sewerage water is being dumped in the fresh water of Mandi Bahaudin canals by TMA Mandi Bahaudin. Cattle and humans also drink this water. This water is also used daily by the people living beside the banks of these canals. Wastage of this infected water is a very dangerous practice. Apart from this, owners of control sheds also dispose their dead chicks in the same canals instead of disposing them according to the code of conduct. Even before this, the Human Rights Protection Foundation has raised strong voices.

It is requested that legal action may kindly be taken against the elements that spoil and affect the canal water and TMA Mandi Bahaudin.

Kind Regards,

  
Mianwal Ranzhka  
Chairman  
Human Rights Protection Foundation  
Khasial Wapda Teh and Dist. M.B.Din.
